Subject: Reclamation Surety Amount, Co-Op Mining Company, Co-Op Placer Mine, M0150052, Emery County, Utah

Dear Mr. Kingston:

Thank you for inquiring about the reclamation surety amount for the Co-Op Placer Mine. The amount required for the existing disturbance, as determined in cooperation with the Bureau of Land Management, is \$5400.00.

As shown in the plan of operations submitted to the BLM in 1993 (received by the Division August 3, 1993), the permitted disturbed area acreage is one-half acre. The Division considers this plan to supersede the plan submitted in 1990 which shows 4.7 acres of disturbance, a conveyor, and a staging area.

The surety can be submitted in the form of cash, a certificate of deposit, a letter of credit, or a corporate surety. Please contact Beth Ericksen at 801-538-5318 for information about submitting the surety. If you have other questions about this letter, please call Paul Baker at 801-538-5261. Thank you for your cooperation.

Sincerely,

Daron Haddock
